Summary of steps for submitting electronic research to St. Catherine University Libraries for inclusion in Sophia, St. Catherine University's institutional repository:

1. Secure final approval of your action research project or thesis from your advisor.
2. Provide the Montessori Program with a final approved version of your action research project or thesis in a Microsoft Word document. You may also submit a copy of your presentation that accompanied your project. This presentation must be submitted in Microsoft PowerPoint.
3. There are circumstances in which the work can be withheld from public view for up to one year. This is called an embargo. Situations warranting an embargo include copyright agreements with a potential publisher. You may hold back public release of this action research project or thesis for one year. There are no permanent embargoes.
4. The Montessori Program Administrative Assistant, Stephanie Melander, will forward the approved action research project or thesis to Emily J. Asch in the St. Catherine University Libraries for inclusion in Sophia.
