Following are instructions on submitting your DNP Project for inclusion in Sophia:

1. Secure final approval of your DNP Project from your advisor.
2. Provide the Department of Nursing Office Manager an electronic final approved version of your Scholarly Project along with this permission form (scan this form and include as an email attachment).

However, we will embargo your work for two years in order to allow sufficient time for manuscript submission. Information about your Project, including title, keywords, and abstract will be accessible upon deposit of your Project.
4. The Department of Nursing Office Manager will forward the approved DNP Project to Heather Tompkins in the St. Catherine Libraries.
