# Have you ever wondered, "Where will I sleep tonight?"

Has there been a time in your life when you didn't have a place to call home?

Are you willing to share your story?

St. Catherine University is gathering stories from Katies who have experienced homelessness or insecure housing.

This project is meant to teach others about homelessness in our community. It is about celebrating our strength and resiliency. We are working to open hearts and minds and to help end homelessness.

If you have ever found yourself without a place to call home and want to **tell your story, we would love to hear it.**
