What does homelessness have to do with St. Kate's?

16% of our surveyed population has
experienced homelessness.

Hear their stories on **MARCH 21, 2013, 7 pm**
Jeanne d'Arc Auditorium, Whitby Hall.

SCU Voices of Homelessness Oral History Project has gathered stories from those who experienced housing insecurity.

We will present results from our community survey from October 2012 and excerpts from the interviews.

This collaborative project is about homelessness in our community. It is about celebrating our strength and resiliency. We are working to open hearts and minds and to help end homelessness.

Sister Amata Miller
will help us understand the implications of the study.
